

# AS40

## Lantern Roof

Our AS40 Lantern Roof system is exceptionally slim. At just 40mm rafter and ridge width it allows maximum transparency without compromising on strength.

- 40mm wide rafter and ridge
- U value 1.5 W/m<sup>2</sup>K, Double Glazed or 0.95 W/m<sup>2</sup>K, Triple Glazed
- Roof pitch from 17-35 degrees
- Roof vents available in manual, electric or temperature sensor controlled
